**TERMINAL DISCLAIMER UNDER 37 C.F.R. § 1.321**

NEC Laboratories America, Inc., a corporation having a place of business at 4 Independence Way, in the city of Princeton, in the State of New Jersey, and owner of the entire right, title and interest in the above-identified patent application, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified patent application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, of commonly assigned prior Patent No. 6,853,745 to Jacobs, et al.

The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application, and is binding upon the grantee, its successors or assigns. In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to
